

Samurai Sudoku

Samurai Sudoku ("Gattai-5") is one of the sudoku variation with overlapping sudoku grids. The puzzle consists of five grids, one in the center and the other 4 overlapping each corner grid of the central one. 5 normal 9x9 Sudoku diagrams are interweaved in a way so that no single diagram can be solved alone, but all 5 diagrams together have a unique solution.

(Solution)

				4	9					2					1																																	
1				9																																												
3							7	4										2																														
												3					6																															
			1																																													
6				5	7																1																											
				9							5							8																														
			4	6							3	1				8				6																												
5	7																5																															
							3	2	9							7	5	6																														
							4	1	7							8	9	2																														
5	2													8							9							2							1	7												
			8	4										2	7							1													8	7				6	3							
			6										5							9																			7				4	8				
1				5	7																																		8									
			4																																													
8																																											6	3	1			
3																																														6	4	7
6				8																																											5	8
			9	5																																											1	2
