

Samurai Sudoku

Samurai Sudoku ("Gattai-5") is one of the sudoku variation with overlapping sudoku grids. The puzzle consists of five grids, one in the center and the other 4 overlapping each corner grid of the central one. 5 normal 9x9 Sudoku diagrams are interweaved in a way so that no single diagram can be solved alone, but all 5 diagrams together have a unique solution.

(Solution)

				1	6	2	4					3																																												
				9									1																																											
												6																																												
				7	5					1					2																																									
								3									8	1																																						
				6	3					9					8																																									
								2	6	4																																														
7	5					1					3																																													
								2					8					6					4																																	
												7					9																																							
								3					1					5					9																																	
				1	8					4					7									5	1					6	9																									
								4	1					8									8	3					5																											
				6	7					3					4					6					3					4					2	8																				
								5									6					8									2	1									5															
				9	5									4													6					7									6	1									8	5				
				2													1					3																																		
				4	1	3	9					7
