

Sohei Sudoku

Named for the warrior monks of medieval Japan, Sohei Sudoku has four merged grids. Each grid has two overlapping areas.

(Solution)

						3	1				4																																
						9				1							5	6																									
																		2																									
															6																												
						4				8																																	
									6				2				4																										
			3										7							1				6	7																		
			5							7				8				5				3	6							7				9									
			7				6							5				9	6							8							3							2			
			7							6				<div></div>									3	7	8																		
						6	4	1	3								4	8	3	6																							
			9	4	8															7							5																
5				2				6				1	5				8										6				5												
			3				1				5	2				4				6				3							8												
			2	9				5										7													9												
						7				8				5																													
																		3				9																					
									6																																		
									6																																		
						5	4							9							3																						
									3							1	8
