## Sohei Sudoku

Named for the warrior monks of medieval Japan, Sohei Sudoku has four merged grids. Each grid has two overlapping areas.

4       5       8       2       7       1       3       6       9         6       7       2       3       9       5       8       1       4         9       1       3       8       4       6       2       7       5         2       3       6       9       1       4       5       8       7       5         1       4       5       7       2       8       6       9       3       7         1       4       5       7       2       8       6       9       3         2       3       6       9       1       8       9       6       9       3         1       4       5       6       7       2       8       3       1       1       1       1         1       4       6       9       8       3       2       7       1       8       9       1       1       2       8       3         2       6       3       2       5       6       1       8       3       2       7       3       1       6       2						1
