

# Windmill Sudoku

Windmill sudoku consists of five grids, one in the center and the other 4 overlapping the central one. This means that the numbers must be placed correctly for all the five puzzle squares.

(Solution)

									6			7			2																										
									4			5			7			1			3																				
									1						2																										
									5									6			2																				
3			9			2			4			1			5			1			6			9			5			3											
4									9																																
												7									8			6			9			4											
7						2						5																		1											
			9						1						5															7											
9						2			8						9			5			1			3						9											
3						4			8			9						4			2			5						3											
5						1			9			2			8						3			4						2											
			3						4						7						2																				
2												6						2			5																				
1			8			9			4						5																										
															3									7																	
						5			3			2			7			6						6			2			1			5			8			3		
			6			2																		9																	
															8									3																	
									4			3			9			8						2																	
															2			8			5
