

Butterfly Sudoku

Butterfly Sudoku is a 9x9 grid puzzle where numbers 1-9 are placed in cells. The grid is divided into four 3x3 regions (top-left, top-right, bottom-left, bottom-right) and a central 3x3 region. The central region is shaded blue, and the four outer regions are shaded green. The puzzle is solved by filling in the numbers 1-9 in the empty cells, ensuring that each row, column, and 3x3 region contains all the numbers 1-9.
